

The Heartbeat Clinic

Amer Suleman M.D

Patient Portal

We are please to announce that we now have a patient portal available.

Patients can: Enter medical history on-line, send messages to their doctor's office, complete New Patient Registration and Patient Pre-Registration, refill prescriptions, check lab results, schedule appointments, obtain patient education materials, receive reminder notices from office and view patient consent forms.

To be signed up for the services please fill out the follow information. We will then provide you with a username and password.
